

International delivery terms in 2022

General: all our quotations, all orders placed with us and all contracts concluded with us are subject to the METAALUNIECONDITIONS January 2019, filed with the District Court of Rotterdam. You can apply for these conditions.

All prices listed are:

Ex Works

Excluded:

Safety Features

Transportation prices shown are listprices

Disposal fee

Plumbing, installation, electrical and civil engineering work

Placing and installing required safety equipment

Connecting to the main power supply

Freight charges

Validity:

The prices in offers are valid for 14 days.

The availability and price of materials and raw materials is currently very uncertain. We can therefore not provide you with a definite answer about the delivery time and the price when issuing the quotation or concluding the agreement. If (1) a different price is charged to us at the time of purchasing the material in question and/or (2) the material is delivered to us later than the one we counted on when preparing the quotation/order confirmation, we reserve the right to charge this price increase to you and/or extend the delivery period. We ask for your understanding of this situation.

Minimum order amount other countries:

Minimum order amount Belgium: There is a minimum order amount for every order of € 1000.00. This amount will be shipping and handling fee of € 115.00. For orders of small customization with an order amount less than € 250.00, a small order surcharge of € 17.50 will be charged.

For parts will be charged € 40.00 for a standard postal consignment and an emergency post shipment € 115.00.

International sales book: The prices mentioned in the international book sales are ex works, excluding freight costs

Order by e-mail or fax: We strive to receive all orders in writing via email. On www.culion.com you can find all information about our company and our products. Our email address is info@culion.com. You must provide the following information in all cases: code number, model number, delivery address, accessories, desired delivery date, and billing address

Payment terms: For an order amount above € 10,000.00 the following term invoicing applies (Subject to credit insurer approval, otherwise 100% payment before delivery):

50% with order

40% upon delivery

10% upon completion

Payment must be made on the invoice date.

In standard invoice payments within 14 days after the invoice date.

Delivery Time: after consultation.

Deviations from quotation affect price and delivery.
